Introduction

Hello! Welcome to the 2025/2026 Wedding Package for Greenacres Motel Corowa, and most importantly the beautiful experience of wedding planning. There are so many exciting things to look forward too! We understand how hectic this process can be, therefore, we have done up this package to help you understand the ins and outs of our motel and how we could hopefully help you, your friends and family with accommodation surrounding your wedding day.

Who are we?

We are Lily & George, and we took over Greenacres Motel in October 2023. We have two beautiful children, Nala & Alfie, who are our little helpers when it comes to all things around the motel. We take pride in offering a personal experience to ensure you truly feel like you're at home, while away from home. Being a family run motel and living on the premises allows us to accommodate your needs as promptly as possible and truly make your time with us one to remember.

Our Motel

Our Motel consists of 20 spacious ground floor rooms. There is ample off-street parking for two vehicles per room as well as space to park boats, jet-ski's, trailers etc. We have a large outdoor saltwater pool that is perfect for relaxing on hot summer days and 6 acres of beautiful gardens and greenery to relax. Furthermore, we have a recently renovated camp-kitchen equipped with a BBQ, gas stove, microwave, toaster, fridge, kettle and TV with indoor-outdoor alfresco seating. We take great pride in our accommodation and work hard to ensure each and every stay is comfortable and enjoyable.

We have 5 different room types to suit everyone from singles to families.

The following Room types are:
